USE THIS FORM TO EXTEND THE WARRANTY OF PREVIOUSLY PURCHASED DEVIO CR-1 PRODUCTS

Where an extended warranty has been purchased, Biamp extends the time period of its Limited Warranty. All terms and conditions of Biamp's Limited Warranty - available at <https://www.biamp.com/warranty> - apply to the extended term. All customers of Biamp are responsible for compliance with any local laws or regulations that may apply to the resale of the extended warranty term. Void where prohibited. When a warranty extension is purchased at the time a hardware unit is purchased, a sticker is affixed to the unit's packaging indicating the applicable warranty length. Where warranty extensions are purchased separately from hardware units, Biamp will send you a list of the hardware unit serial numbers covered, along with the new warranty expiration dates for the applicable units.
