## EASYCONNECT MPX TA 203X260

The precision-engineered table adapter enables seamless installation of the MPX 200/250 into existing oversized table cutouts — eliminating the need for cutting, redesigning, or replacing furniture.

Designed to accommodate common cutout dimensions, the adapter delivers a clean, professional finish that integrates effortlessly into modern meeting environments. It ships in a neutral black finish and can be customized to match table surfaces, ensuring a cohesive, professional appearance across meeting environments.
